

## **Heaven's Playground Org – Purposes**

Heaven's Playground Org is a charitable organisation set up to relieve those struggling with a loss/grief to the public benefit. We believe the work we undertake helps with the mental health of individuals who are having difficulty coping with their loss/es and also those who may be thinking suicidal thoughts. We provide help to anyone who has suffered a loss from the unthinkable loss of a child to the equally devastating loss of an elderly parent. We even include pet loss in our broad scope of loss. No loss is too small for us to be there for anyone. We have recently become involved in promoting awareness of baby loss/grief and are now a member of the BLAA (Baby Loss Awareness Alliance) run by Sands to enable us to do this.

To promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.  
For the purpose of this clause 'socially excluded' means being excluded from society, or part of society, as a result of being a member of a socially and economically deprived community.

To advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time. For example we have given money specifically raised for that purpose to other causes such as homelessness, cancer research, dementia and every year we give Easter Eggs and Selection Boxes from Heavens to local hospitals/hospices or food banks.

We aim to achieve this in particular but not exclusively by :-

By providing Memory Boxes, which are free of charge to anyone who has suffered a recent loss through our website, facebook group or referral.

By providing Memorial Keepsakes which are often free of charge or offered as giveaways in the HP Facebook Group.

By providing peer support along with our online facebook team who have all suffered losses. We are not trained counsellors but we have all experienced loss and can listen and empathise for those who might come to us through our group or our website.  
By providing free personalised digital graphics in our facebook group and on the website.

By providing 1 free card per year to everyone. This card can be to the person from their 'angel' or to their angel from ourselves/them. These cards cover any date they wish it to from an angelversary to Christmas cards. People are not limited to 1 card and can have as many as they want each year although we do ask, if possible, that the postage is paid for any surplus cards – still free of charge if they are struggling financially. These are available in the facebook group HP Angel Cards set up solely for this purpose, they are not restricted to those in the group but are most often provided through there as a means of collecting data quickly for holidays such as Valentine's Day, Easter, Mother's/Father's Day, Halloween and Christmas.

Heavens exists to support anyone affected by the death of a loved one whenever this happened and for as long as they need support. We aim to provide help to all regardless of age, gender, race, religion, sexual orientation, disability or time passed since loss in accordance with the Equalities Act 2010.
