

OUR AIMS

We improve opportunities and outcomes for autistic, ADHD and AuDHD people age 14+ through:

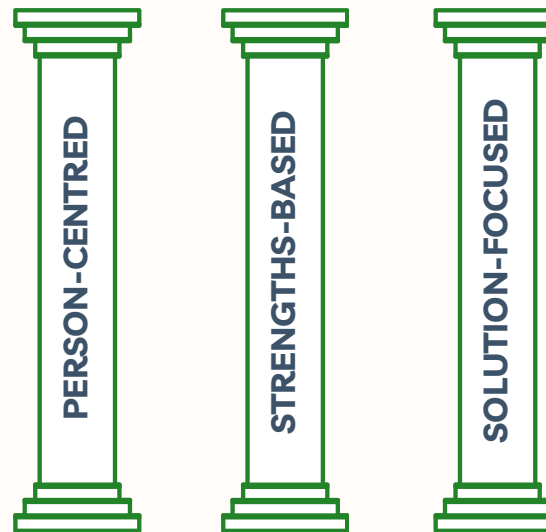

- 1-to-1 coaching and mentoring
- Neurodiversity profile mapping
- Workplace training and speaker events
- Peer support circles
- Northern Devon PINN Forum - for professionals

Celebrating difference & nurturing neurodiversity

TRAINING & SPEAKER EVENTS FOR WORK

Talks and workshops for businesses, educators, health services and the VCSE sector.

Destigmatising autism, ADHD and AuDHD through lived and professional experience.

Approaching neuroinclusion through a 'whole person' lens, recognising intersecting factors.

Taking a real life, practical and no-nonsense approach.

RISE WORKSHOPS

Raising Inclusion Standards for Everyone

An interactive, youth-led workshop for professionals working with neurodivergent young people.

Designed and delivered by our team of autistic young people with lived experience.

1-to-1 coaching and mentoring

Personalised support that recognises your strengths and unpicks challenges. Together, we build strategies for pursuing goals in life, work, or education.

Neurodiversity profile mapping

We use the Do-IT screener to map your strengths, challenges, sensory experiences and wellbeing – and then co-create a practical, tailored toolkit of strategies and adjustments.

GROUPS & GATHERINGS

The AFAB Group

A welcoming social group for 14-19 year-old girls and those assumed female at birth.

Parent Support Circle

Peer-led support for parents of young people aged 14 to 22.

PINN Forum: Practitioners Meeting Neurodivergent Needs

A space for professionals in Northern Devon to collaborate and strengthen neuroinclusive practice.
